1. Walks are generally every Saturday usually starting near the exit to the Vikingar Car Park unless indicated otherwise and at the time shown. New members will be welcomed.
2. Walkers should be suitably attired for the intended walk and the likely weather. They must bring refreshments for short breaks and lunch e.g. sandwiches, fruit, tea, coffee, water, etc.
3. The destinations/routes/start-point/time may be changed at short notice to suit the weather conditions or other factors.
4. 'A' walks will generally include off-road, sometimes boggy ground and may entail serious hill climbing. Appropriate footwear is essential and the use of poles is recommended. The 'B' option will be shorter and depend on demand and having a suitable leader.
