

SPEAKERS' CONVENOR REPORT 2022-2023

The general monthly meetings of 2022-2023 as always had a varied and interesting selection of topics. Ranging from fascinating WWII exploits and experiences to the role of the Inverclyde Shed in the local community.

Who could forget the hilarious “Having Fun with Robert Burns”? In December the OIR ukulele group assisted by a small choir entertained us with a selection of songs putting us all in the festive mood.

Thanks again to the OIR drama group The Sundowner Players for their marvellous production.

We are looking forward to the 2023-2024 programme and invite members and friends old and new to come along for a very enjoyable afternoon.
