

SECRETARY'S REPORT

Organising the rota for the manning of the OIR Office is one of my duties as Secretary and I would like to personally thank the members of the Committee and the Volunteer who unfailingly offer to carry out this duty each month. The office is an important point of contact for members, as a venue for selling tickets for outings and for prospective members to see what we have to offer and it also provides access to Group Leaders for printing and photocopying facilities.

Bill Alexander, as well as being a Group Leader of Dance, looks after the OIR web site. This is an onerous task as the OIR is perpetually changing and Bill does an excellent job. Keeping this site up to date also requires regular input from the Group Leaders whom I'd like to thank for giving of their time and effort to help with this.

Always the biggest job of the year is requesting, collecting, collating and organising the paperwork for the AGM. Many thanks once again for the quick responses from the Group Leaders and the Office Bearers whose input is an essential part of this job.

Gavin MacLellan
OIR Secretary
