

GROUP LIAISON OFFICER'S REPORT 2023/24

This year we have introduced a new group, Astrology which has proved very successful and following a taster session last year we started a weekly session of Singing for Fun. This has been ably led throughout the year by Alex West on the concertina but he has now been joined by Jean Leonard on the keyboard. This is a very enjoyable class.

It was sad to hear about the death of both Maureen and Archie Adams in March. They both assisted Bill and Sheila Alexander in running the very successful Dance group. They will be sorely missed by OIR.

We have been lucky to find very suitable hall locations throughout this year and we hope this will continue next year.

Finally, thank you to the Group Leaders who make my job much easier by helping me throughout the year.

Shirley Strang
